EXPLANATORY NOTES ON THE WITHDRAWAL FORM FOR PRS FUNDS UPON DEATH

TERMS OF WITHDRAWAL

1. Nominee can apply to withdraw the deceased member's accrued benefits provided the nominee has reached the age of 18.

- (i) **For non-Muslims:** The nominee shall receive the accrued benefits according to the directions of the nomination as a beneficiary.

If the nominee is a minor (below the age of 18), he/she will not be eligible to apply for the withdrawal until he/she has turned to 18 years old. Where PPA deems appropriate, either the parent or legal guardian of the nominee may apply for the withdrawal by attaching the birth certificate as proof he/she is the parent or a court order indicating he/she is the legal guardian of the minor, subject to an undertaking by such person that the amount paid will be applied solely for the maintenance and benefit of the nominee.

If the nominee is certified as having PTD or MD by medical practitioner registered under the Medical Act 1971 [Act 50], where PPA deems appropriate, payment to such nominee may be made to a person who can satisfy PPA that he is responsible in managing the affairs of the nominee and that the amount paid will be applied solely for the maintenance and benefit of the nominee.

- (ii) **For Muslims:** The nominee only acts as an administrator to the accrued benefits and the nominee(s) are advised to administer and distribute the accrued benefits according to the Islamic Law.

If the nominee is a minor or certified as having PTD or MD by medical practitioner registered under the Medical Act 1971 [Act 50], he/she will not be eligible to apply for the death withdrawal. This is because the nominee is legally incapable to act as an administrator and distribute the accrued benefits in accordance with Islamic Laws. As such the accrued benefits shall be paid to the lawful executor or administrator of the member's estate.

Nominee can only apply for withdrawal upon death of a Muslim member within one (1) year from the member's date of death. This is to ensure the nominee(s) take(s) action as soon as possible to expedite the distribution of the PRS balance.
